INDEX TO VOLUME X.

A

Acholuric Jaundice, Familial, four cases of (W. T. W. Paxton), 421
Acidosis, Red Corpuscles in (W. T. W. Paxton), 115
Actinomycosis in Childhood (R. W. B. Ellis), 1
ADDIS, R. S.: Statistical Study of Nocturnal Enuresis, 169
Alkalosis, Red Corpuscles in (W. T. W. Paxton), 115
Anaemia, Hitherto Undescribed Type of Haemolytic (Erythromoclastic) Anaemia (L. G. Parsons and W. C. Smallwood), 209—Early, of Premature Infants (H. M. M. Mackay), 195—Gastric Secretion in (Jessie W. Ogilvie), 143—of Infantile Scurvy (L. G. Parsons and W. C. Smallwood), 327
Antirachitic Factor in Human Milk, Further Study of (I. A. Sabri and M. M. Fikri), 377
Arterio-Mesenteric Compression, Gastromegaly from in the New-born (R. Miller and H. Courtney Gage), 179
ASHBY, H.: Punishment of Children, 208
Asthma, Juvenile, Autohaemotherapy in (K. Maddox and R. F. Back), 381
Atelectatic or Compensatory Bronchiectasis (L. Findlay), 61
Autohaemotherapy in Juvenile Asthma, Enquiry into the Value of (K. Maddox and R. F. Back), 381

B

BACK, R. F. (and K. Maddox): Enquiry into the Value of Autohaemotherapy in Juvenile Asthma, 381
BAILEY, R. H. (and D. Paterson): Preliminary Notes on Convalescent Serum, Vaccine and Skin Tests in Whooping Cough, 207
BARLOW, T.: On Cases Described as "Acute Rickets," 223
BELLINGHAM SMITH, E.: Myelomatosis in a Baby, 206
BEZSSONOFF, N. (and P. Rohmer): Pathogenesis of Scorbutic Dystrophy, 319
Blood Corpuscles, Red, in Acidosis and Alkalosis (W. T. W. Paxton), 115
Blood Counts of New Born Infants in Relation to Icterus Neonatorum (L. C. Martin and S. M. Evans), 355
Blood Transfusion in the Malnutrition of Infancy (M. S. Thomson), 109
BOND, M. (E. A. Park, H. O. Guild and D. Jackson): Recognition of Scurvy and Early X-ray Changes, 265
Bone-marrow, Infective Reticulo-Endotheliosis of (S. van Creveld and F. H. Ter Poorten), 125
Bronchiectasis, Atelectatic or Compensatory (L. Findlay), 61
Bronchopneumonia, Chronicity of Tuberculous (C. W. Vining), 209
BROWN, W.: Congenital Eventration of Diaphragm, 210

C

Calcium Infarction of the Kidneys in Infants (R. Lightwood), 205
Cancer of the Thyroid Gland in Childhood (A. Brian Taylor and B. M. Wilkinson), 99
Cheadle, Dr., and Infantile Scurvy (F. J. Poynton), 219
Chorea, Enterococcal Agglutinations in (H. Stewart), 207
Coeliac Disease, Gastric Secretion in (Jessie W. Ogilvie), 93—Case of, Treated by Insulin and Glucose (B. Schlesinger and K. D. Keele), 149
COLLIS, W. R. F.: Acute Aseptic Lymphocytic Meningitis, 207
Coma with Glycosuria not due to Diabetes Mellitus (G. B. Fleming, Agnes Herring and N. Morris), 397
Congenital Eventration of Diaphragm (W. Brown), 210—Pyloric Stenosis, Medical Treatment of (E. Svensgaard), 443
CRAIG, W. S.: Remarks on the Multiple Puncture Tuberculin Skin Test, 208—Urinary Disorders in the Neo-natal Period, 337

D

Diabetes Mellitus, Coma with Glycosuria not due to (G. B. Fleming, Agnes Herring and N. Morris), 397
Diaphragm, Congenital Eventration of (W. Brown), 210
Diet, Ketogenic, in Persistent Pyuria (P. Summerfeldt, M. M. Johnston and M. J. Kaake), 389
Duodenum, Gastromegaly from Arterio-Mesenteric Compression of in New-born (R. Miller and H. Courtney Gage), 179

E

ELLIS, R. W. B.: Actinomycosis in Childhood, 1
Enterococcal Agglutinations in Chorea (H. Stewart), 207
Enuresis, Statistical Study of Nocturnal (R. S. Addis), 169
EVANS, S. M. (and L. C. Martin): Blood Counts of New-born Infants in Relation to Icterus Neonatorum, 355

F

FAIRBROTHER, R. W.: Various Types of Pneumococci in Infections other than Pneumonia, 25
Familial Acholuric Jaundice, four cases of (W. T. W. Paxton), 421
FIKRI, M. M. (and I. A. Sabri): Further Study of the Antirachitic Factor in Human Milk, 377
FINDLAY, L.: Atelectatic or Compensatory Bronchiectasis, 61
FLEMING, G. B. (Agnes Herring and N. Morris): Coma with Glycosuria not due to Diabetes Mellitus, 397
FORD, F. J.: Two Cases of Schüller-Christian Syndrome, 206
FRÖLICH, T.: Malnutrition and Latent Scurvy, 309
Further Study of the Antirachitic Factor in Human Milk (I. A. Sabri and M. M. Fikri), 377

G

GAGE, H. COURTNEY (and R. Miller): Gastromegaly from Arterio-Mesenteric Compression of the Duodenum in the New-born, 179
Gastric Secretion in Anaemia (Jessie W. Ogilvie), 143
Gastromegaly from Arterio-Mesenteric Compression of the Duodenum in the New-born (R. Miller and H. Courtney Gage), 179
GIBSON, W. J. (and W. A. R. Thomson): Skin Reactions to Products of the Haemolytic Streptococcus, 429
Glucose, Insulin and, Treatment of a Case of Coeliac Disease with (B. Schlesinger and K. D. Keele), 149
Glycosuria, Coma with, not due to Diabetes Mellitus (G. B. Fleming, Agnes Herring and N. Morris), 397
GRAHAM, S.: Prematurity and Neo-Natal Mortality, 210
GUILD, H. G. (E. A. Park, D. Jackson and M. Bond): Recognition of Scurvy and Early X-Ray Changes, 265

H

Haemolytic Streptococcus, Skin Reactions and Products of (H. J. Gibson and W. A. R. Thomson), 429
HALL, M. BARTON: Obsessive-Compulsive States in Childhood and Their Treatment, 49
Heredity in Relation to Tuberculosis (G. Gregory Kayne), 157
HERRING, AGNES (G. B. Fleming and N. Morris): Coma with Glycosuria not due to Diabetes Mellitus, 397
History of Scurvy (G. F. Still), 211
HORDER, RT. HON. LORD: Introduction to Barlow Birthday Number, 210
Human Milk, Further Study of Antirachitic Factor in (I. A. Sabri and M. M. Fikri), 377

I

Icterus, Gravis, Histology of (W. T. W. Paxton), 209—Neonatorum, Blood Counts in Relation to (L. C. Martin and S. M. Evans), 355
Infants, Early Anaemia of Premature (H. M. M. Mackay), 195
Infective Reticulo-Endotheliosis chiefly localized in Lung, Bone Marrow and Thymus (S. van Creveld and F. H. Ter Poorten), 125
Insulin and Glucose, Treatment of a Case of Coeliac Disease with (Bernard Schlesinger and K. D. Keele), 149

J

JACKSON, D. (E. A. Park, H. G. Guild and M. Bond): Recognition of Scurvy and Early X-Ray Changes, 265
Jaundice, Familial Acholuric, Four cases of (W. T. W. Paxton), 421
JOHNSTON, M. M. (P. Summerfeldt and M. J. Kaake): Ketogenic Diet in Persistent Pyuria, 389

K

KAAKE, M. J. (P. Summerfeldt and M. M. Johnston): Ketogenic Diet in Persistent Pyuria, 389
KAYNE, G. GREGORY: Heredity in Relation to Tuberculosis, 157
KEELE, K. D. (and Bernard Schlesinger): Case of Coeliac Disease Treated with Insulin and Glucose, 149
Ketogenic Diet in Persistent Pyuria (P. Summerfeldt, M. M. Johnston and M. J. Kaake), 389
Kidneys, Calcium Infarction of, in Infants (R. Lightwood), 205

L

Lichen Urticatus (B. C. Tate), 27
LIGHTWOOD, R.: Calcium Infarction of the Kidneys in Infants, 205
Liver, Vitamin C content of, in New-born (K. U. Toverud), 313
Lungs, Infective Reticulo-Endotheliosis of (S. van Creveld and F. H. Ter Poorten), 125

M

MACKAY, H. M. M.: Early Anaemia of Premature Infants, 195
MADDOX, K. (and R. F. Back): Enquiry into the Value of Autohaemotherapy in Juvenile Asthma, 381
Malnutrition of Infancy, Blood Transfusion in (Magnus L. Thomson), 109—and Latent Scurvy (T. Frölich), 309
MARTIN, L. C. (and S. M. Evans): Blood Counts of New-born Infants in Relation to Icterus Neonatorum, 355
Medical Treatment of Congenital Pyloric Stenosis (E. Svensgaard), 443
Meningitis, Acute Aseptic Lymphocytic (W. R. F. Collis), 207
MILLER, R. (and H. Courtney Gage): Gastromegaly from Arterio-Mesenteric Compression of the Duodenum in the New-born, 179
MORRIS, N. (G. B. Fleming and Agnes Herring): Coma with Glycosuria not due to Diabetes Mellitus, 397
Myelomatosis in a Baby (E. Bellingham Smith), 206

N

New-born, Osteomyelitis of Maxilla in (H. D. White), 85—Gastromegaly from Compression of Duodenum in (Reginald Miller and H. Courtney Gage), 179—Vitamin C content of Liver of (K. U. Toverud), 313—Blood Counts in Relation to Icterus Neonatorum in (L. C. Martin and S. M. Evans), 355
Neo-Natal, Mortality, Prematurity and (Stanley Graham), 210—Period, Urinary Disorders in (W. S. Craig), 337
Nocturnal Enuresis, Statistical Study of (R. S. Addis), 169
Non-Rheumatic Pains (D. W. Winnicott), 208

O

Obsessive-Compulsive States in Childhood and their Treatment (M. Barton Hall), 49
OGILVIE, JESSIE W.: Gastric Secretion in Coeliac Disease, 93—Gastric Secretion in Anaemia, 143
Osteomyelitis of the Maxilla in the Newly-born (H. D. White), 85

P

Paediatric Association, British: Annual General Meeting, 205—Calcium Infarction of the Kidneys, 205—Two Cases of Schüller-Christian Syndrome, 206—Myelomatosis in a Baby, 206—The Frequency of Sub-scorbutic Conditions in Infancy, 206—Notes on Convalescent Serum, Vaccine and Skin Tests in Whooping Cough, 207—Enterococcal Agglutinations in Chorea, 207—Acute Aseptic Lymphocytic Meningitis, 207—Notes on Non-Rheumatic Pains, 208—Punishment of Children, 208—Multiple Puncture Tuberculin Skin Test, 208—Chronicity of Tuberculous Broncho-Pneumonia, 209—Histology of Icterus Gravis, 209—Haemolytic (Erythronoclastic) Anaemia, 209—Congenital Eventration of Diaphragm, 210—Prematurity and Neo-Natal Mortality, 210
Pains, Non-Rheumatic (D. W. Winnicott), 208
PARK, E. A. (H. G. Guild, D. Jackson and M. Bond): Recognition of Scurvy with Reference to Early X-Ray Changes, 265
Parotid Glands, Recurrent Swelling of (R. S. Bruce Pearson), 363
PARSONS, L. G. (and W. C. Smallwood): Undescribed Type of Haemolytic (Erythronoclastic) Anaemia, 209—Anaemia of Infantile Scurvy, 327
PATERSON, D. (and R. H. Bailey): Preliminary Notes on Convalescent Serum, Vaccine and Skin Tests in Whooping Cough, 207
PAXTON, W. T. W.: The Red Corpuscles in Acidosis and Alkalosis, 115; Histology of Icterus Gravis, 209—Four Cases of Familial Acholuric Jaundice, 421
PAYNE, W. W. (and B. Schlesinger): Sedimentation Rate in Juvenile Rheumatism, 403
PEARSON, R. S. BRUCE: Recurrent Swelling of the Parotid Glands, 363
PITTS, A. T.: Vitamin C and Its Effects on the Structure of the Teeth, 295
Pneumococci in Infections other than Pneumonia, Various Types of (R. W. Fairbrother), 25
POORTEN, F. H. TER (and S. van Creveld): Infective Reticulo-Endotheliosis Chiefly Localized in Lungs, Bone Marrow and Thymus, 125
POYNTON, F. J.: Dr. Cheadle and Infantile Scurvy, 219
Premature Infants, Early Anaemia of (H. M. M. Mackay), 195
Prematurity and Neo-Natal Mortality (S. Graham), 210
PRITCHARD, E.: Frequency of Sub-Scorbutic Conditions in Infancy, 206
Proteins, Serum, in Normal Infants and Children (J. B. Rennie), 415
Punishment of Children (H. Ashby), 208
Pyloric Stenosis, Congenital, Medical Treatment of (E. Svensgaard), 443
Pyuria, Persistent, Ketogenic Diet in (P. Summerfeldt, M. M. Johnston and M. J. Kaake), 389

R

Recurrent Swelling of the Parotid Glands (R. S. Bruce Pearson), 363
RENNIE, J. B.: Serum Proteins in Normal Infants and Children, 415
Reticulo-Endotheliosis, Infective, Localized in Lungs, Bone-Marrow and Thymus (S. van Creveld and F. H. Ter Poorten), 125
Rheumatism, Juvenile, Sedimentation Rate in (W. W. Payne and B. Schlesinger), 403
Rickets, Acute, On Cases Described as (T. Barlow), 223
ROHMER, P. (and N. Bezssonoff): Pathogenesis of Scorbutic Dystrophy, 319

S

SABRI, I. A. (and M. M. Fikri): Further Study of Antirachitic Factor in Human Milk, 377
SCHLESINGER, BERNARD (and K. D. Keele): Case of Coeliac Disease Treated with Insulin and Glucose, 149—(and W. W. Payne) Sedimentation Rate in Juvenile Rheumatism, 403
Schüller-Christian Syndrome, Two cases of (F. J. Ford), 206
Scorbutic Dystrophy, Pathogenesis of (P. Rohmer and N. Bezssonoff), 319

Scurvy, Infantile, Its History (G. F. Still), 211—Dr. Cheadle and (F. J. Poynton), 219—Recognition of, and Early X-Ray Changes (E. A. Park and others), 265—Malnutrition and Latent (T. Frölich), 309—Anaemia of (L. G. Parsons and W. C. Smallwood), 327. (*See also* Scorbutic and Sub-scorbutic).
Sedimentation Rate in Juvenile Rheumatism, Study of (W. W. Payne and B. Schlesinger), 403
Serum, Convalescent in Whooping Cough (D. Paterson and R. H. Bailey), 207
Serum Proteins in Normal Infants and Children (J. B. Rennie), 415
Skin Reactions to Products of the Haemolytic Streptococcus (H. J. Gibson and W. A. R. Thomson), 429
Skin-Tests in Whooping Cough (D. Paterson and R. H. Bailey), 207
Skin Test, Multiple Puncture Tuberculin (W. S. Craig), 208
SMALLWOOD, W. C. (and L. G. Parsons): Undescribed Type of Haemolytic (Erythronoclastic) Anaemia, 209—Anaemia of Infantile Scurvy, 327
Statistical Study of Nocturnal Enuresis (R. S. Addis), 169
Stenosis, Congenital Pyloric, Medical Treatment of (E. Svensgaard), 443
STEWART, H.: Enterococcal Agglutinations in Chorea, 207
STILL, G. F.: Infantile Scurvy; its History, 211
Streptococcus, Haemolytic, Skin Reactions to Products of (H. J. Gibson and W. A. R. Thomson) 429
Sub-Scorbutic Conditions in Infancy, Frequency of (Eric Pritchard), 206
SUMMERFELDT, P. (M. M. Johnston and M. J. Kaake): Ketogenic Diet in Persistent Pyuria, 389
SVENSGAARD, E.: Medical Treatment of Congenital Pyloric Stenosis, 443

T

TATE, B. C.: Papular Urticaria (lichen urticatus), 27
TAYLOR, A. BRIAN (and B. M. Wilkinson): Carcinoma of the Thyroid Gland in Childhood, 99
Teeth, Vitamin C and its Effects on Structure of (A. T. Pitts), 295
THOMSON, M. L.: Blood Transfusion in the Malnutrition of Infancy, 109
THOMSON, W. A. R.: Skin Reactiosis to Products of the Haemolytic Streptococcus, 429
Thymus, Infective Reticulo-Endotheliosis of (S. van Creveld and F. H. Ter Poorten), 125
Thyroid Gland, Carcinoma of, in Childhood (A. Brian Taylor and B. M. Wilkinson), 99
TOVERUD, K. U.: Vitamin C content of Liver of New-Born Infants, 313
Tuberculin, Multiple Puncture Skin Test (W. S. Craig), 208
Tuberculosis, Heredity in Relation to (G. Gregory Kayne), 157
Tuberculous Broncho-pneumonia, Chronicity of (C. W. Vining), 209

U

Urinary Disorders Occurring in the Neo-natal Period (W. S. Craig), 337
Urticaria, Papular (lichen urticatus) (B. C. Tate), 27

V

Vaccine in Whooping Cough (D. Paterson and R. H. Bailey), 207
VAN CREVELD, S. (and F. H. Ter Poorten): Infective Reticulo-Endotheliosis, Chiefly Localized in Lungs, Bone-Marrow and Thymus, 125
VINING, C. W.: Remarks in the Chronicity of Tuberculous Broncho-pneumonia, 209
Vitamin C, Effects on Structure of Teeth (A. T. Pitts), 295—Isolation and Identification of (S. S. Zilva), 253—Content of the Liver of Newborn Infants (K. U. Toverud), 313

W

WHITE, H. D.: Osteomyelitis of the Maxilla in the Newly-born, 85
Whooping Cough, Convalescent Serum, Vaccine and Skin Tests in (D. Paterson and R. H. Bailey), 207
WILKINSON, B. M. (and A. Brian Taylor): Cancer of the Thyroid Gland in Childhood, 99
WINNICOTT, D. W.: Further notes on Non-Rheumatic Pains, 208

X

X-Ray Changes, Early, in Scurvy (E. A. Park and others), 265

Z

Zilva, S. S.: Isolation and Identification of Vitamin C, 253
